

SCHOOLS OPEN RADIO STATION

Campus Station WNTC of Potsdam State Teachers college and Clarkson college will have a permanent studio in the building behind the Crane house while a temporary studio will be completed in the student publications office in the executive office building.

The temporary studio was decided upon since weather makes the other work impractical at present. Tom Harris is chairman of the construction committee which is making plans for the permanent studio.

Twenty eight students of Clarkson and the Teachers college were made members of campus station WNTC at a meet of the station's executive board and a resolution was passed authorizing the formation of a North Country network with Station KSLU, St. Lawrence, for the purpose of exchanging programs.

New members elected by vote of the executive board are Leonard Aizer, Paul Bogart, Henry Carley, John Dacey, Joseph Drab, Carl Janow, Gerald Lyman, Harry McClain, Richard March, Eugene Mueller, all of Clarkson; Mary Brown, Phyllis Dropkin, Barbara Dullea, Rosemary Fournier, Jeanne Gebo, Jane Hobkirk, Phillip Klein, Jane Macomber, Carolyn Morehouse, Agnes Petrie, Katherine Riley, Janet Wenk, Lois Whitmore and Dorothy Wren of the Teachers college.

A nominating committee to present a slate of candidates at the next meeting of station personnel has been named by Nick Sfikasm, chairman.
